

**Kentucky  
School for the Blind**

## Philosophy

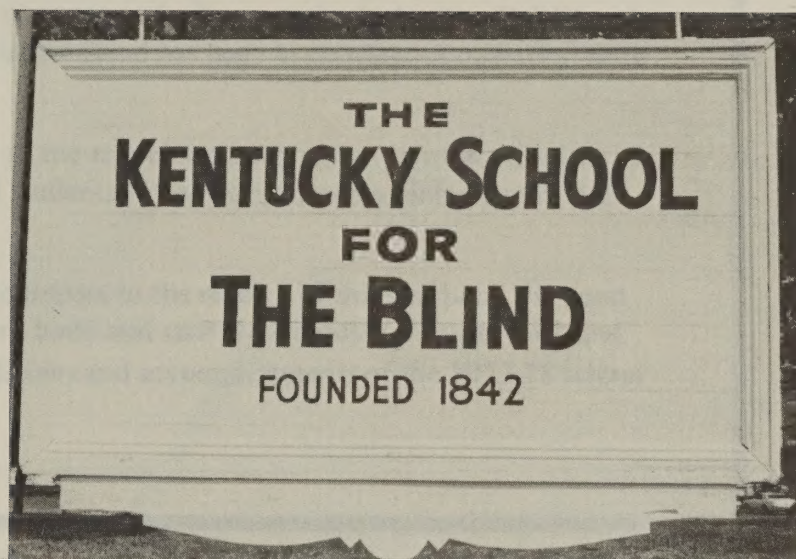

In 1842, the General Assembly of the Commonwealth of Kentucky  
authorized the establishment of a school for the blind.

Today, the  
school is a  
leading center  
for the blind.

The Kentucky  
Department of  
Education is  
proud to  
present this  
yearbook.

It is the hope  
of the school  
that this yearbook  
will provide the  
student with a  
record of the  
year.

Photographs of the  
school and its  
activities are  
included.

# Philosophy

In 1842, the General assembly of the Commonwealth of Kentucky appropriated money for the establishment of a school to educate blind children. With the exception of a few months during the Civil War, the Kentucky School for the Blind has been in continuous operation since that time.

The philosophy of the school has always been to offer educational opportunities to all students to enable each one to enjoy a rich, full life.

It is our desire to impart to the readers of this yearbook the good wishes of the student body and staff by recording through word and photograph the activities and accomplishments of the 1977-78 school year.

## Dedication

This yearbook is dedicated to five ladies who are retiring this year-

Mrs. Lillie Berry

Mrs. Jeanette Hartough

Mrs. Dixie Howser

Mrs. Mary Opal Keith

Miss Edith Ries

Mrs. Lillie Berry has served as a cottage parent at Huntoon, Allan and Patten Cottages for 21 years.

Mrs. Jeannette Hartough has taught a variety of ages and levels for 16 years at K.S.B.

For 27 years, Mrs. Dixie Howser has taught elementary children. For three years prior to teaching, she was a house parent for the younger boys.

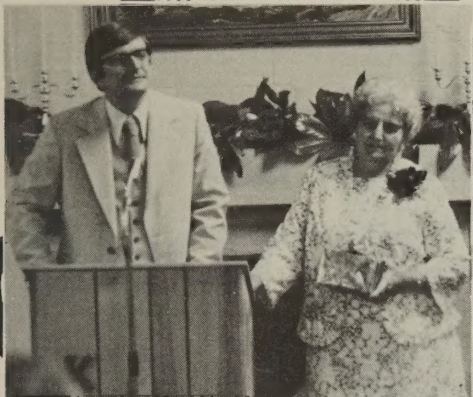

Mrs. Mary Opal Keith has served K.S.B. as school nurse for 15 years.

Completing 48 years of service to K.S.B., Miss Edith Ries has served as the school's Business Manager.

To assess the contributions these five women have made to the students of K.S.B. and to the school itself is impossible. The lives of countless children have been nurtured and enriched by their commitment and care.

Because they have taught us so much of learning, growing and caring, we dedicate this yearbook to five special Kentucky women.

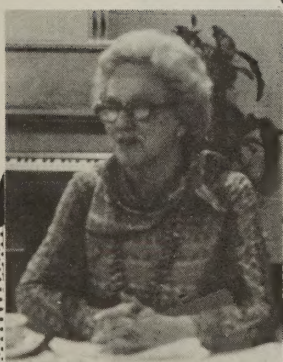

Mrs. Mary Opal Keith

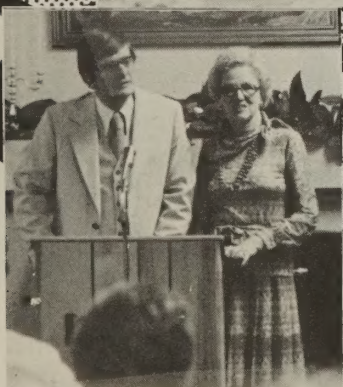

Mrs. Lillie Berry

Miss Edith Ries

Mrs. Dixie Howser
